SECTION 3. In accordance with Section 67-3519, Idaho Code, the Idaho State Historical Society is authorized no more than forty-nine and two-hundredths (49.02) full-time equivalent positions at any point during the period July 1, 2009, through June 30, 2010, for the program specified in Section 2 of this act, unless specifically authorized by the Governor. The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 4. There is hereby reappropriated to the Idaho State Historical Society, the unexpended and unencumbered balance of the Permanent Building Fund appropriated by Section 1, Chapter 121, Laws of 2008, to be used for the period July 1, 2009, through June 30, 2010.

SECTION 5. LEGISLATIVE INTENT. It is the intent of the Legislature to retain to the extent possible, our capable, quality employees who support the essential services and statutorily authorized programs that the citizens of Idaho expect. The Legislature finds these critical essential services to be those that maintain the health and safety of our citizens and the education of our children. While extending flexibility to the Governor and agency directors to manage the state workforce to the best of their ability during these difficult times, it remains the responsibility of the Legislature to identify priorities for the state workforce. The Legislature finds that reductions in personnel funding shall first be managed through salary reductions that impact all personnel fairly; secondly, be mitigated by the use of existing salary savings; thirdly, by using savings created by keeping newly vacated positions unfilled; fourth, by the use of furloughs; and lastly, as a last resort, by reducing the workforce. It is the intent of the Legislature that these policies shall be adhered to by the executive, legislative, and judicial branches to the extent allowed by law.

SECTION 6. SALARY REDUCTION. Inasmuch as salary reductions will save jobs; and inasmuch as a five percent (5%) reduction in personnel funding may create a reduction in force; and inasmuch as the state as a single employer of multiple departments and agencies is required by law to direct across the board salary adjustments; agencies and institutions shall reduce all salaries of classified and nonclassified employees, regardless of fund source, by three percent (3%) for fiscal year 2010, beginning on June 14, 2009, through June 12, 2010. Agencies shall use personnel cost savings, furloughs, and a reduction in force to manage the remaining two percent (2%) in funding reductions. The Division of Human Resources shall adjust all pay schedules for the classified personnel system downward to the extent that all beginning minimum salaries are three percent (3%) less than those in effect upon the date of passage of this law.

1 SECTION 7. REAUTHORIZING LIMITED SERVICE POSITIONS. The limited service
2 positions for the Idaho State Historical Society authorized in Section 8, Chapter 455, Laws of
3 2006, are hereby reauthorized for the period July 1, 2009, through June 30, 2010.

4 SECTION 8. An emergency existing therefor, which emergency is hereby declared to
5 exist, Sections 1 and 6 of this act shall be in full force and effect on and after passage and
6 approval.
